Varmoda Patriots is a Service-Disabled Veteran-Owned Small Business (SDVOSB) Joint Venture, purpose-built to support SDVOSB set-aside opportunities and anchored by Patriot, LLC, a verified SDVOSB and State of Maryland-certified Minority/Disadvantaged Business Enterprise (MBE/DBE) founded in 2005, together with Varmoda Tech, an innovative Small Business specializing in Artificial Intelligence, Cybersecurity, Cloud Modernization, and Data Engineering. Leveraging decades of federal experience and a commitment to innovation, Varmoda Patriots delivers mission-critical professional and technical services across the Intelligence, Defense, Homeland Security, and Civilian sectors. We partner closely with government agencies and prime contractors to provide secure, scalable, and mission-focused solutions that drive operational excellence and mission success.
